

Re-application for scholarship:

While attending college you can reapply each year for a scholarship.

Scholarships are only distributed once per year in October.

To qualify and be the recipient of a monetary award all the following criteria **must** be met:

1. Complete application
2. Provide two letters of recommendation: one from one of your professors and one from a non-family member
3. Must maintain a 2.75 grade point average
4. Provide an official transcript (if your official transcript is not available send the unofficial with the application and send the official later once it is available)
5. Please provide a response to the following – “ Should workers have Unions, and do you think workers will benefit from a Union? Why or why not? And do Unions help or hurt society as a whole?”

Please submit your completed application to:
